

Neutrino experiments

Nguyen Hoang Duy Thanh

Faculty of Physics
VNU University of Science, Hanoi

Neutrino sources

- Astrophysical neutrinos
 - Solar neutrinos
 - Supernova neutrinos
 - Atmospheric neutrinos
- Artificial neutrinos
 - Accelerator neutrinos
 - Reactor neutrinos

Detecting neutrino

- Charged current interactions
- Neutral current interactions

Neutrino oscillation experiments

- Appearance experiments
- Disappearance experiments

Depending on the average value of L/E :

- Short BaseLine experiments (SBL)
- Long BaseLine experiments (LBL)
- Very Long BaseLine experiments (VBL)
