

# Hoang Pham Thanh Dat

Senior student in Nuclear Physics

Year of birth: 2000

Place of origin: Quy Nhon, Binh Dinh

Phone: 0949127528

Email: [thanhdatt010620@gmail.com](mailto:thanhdatt010620@gmail.com)

# Education

2020: Honor student of  
Faculty of Physics &  
Engineering Physics,  
University of Science – VNU-  
HCM

2022: Student at  
Department of Nuclear  
Physics – Nuclear  
Engineering – Medical  
Physics

# Hobbies and strengths

- Playing sport: swimming, badminton, billiards.
- Listen to music.
- Cooking.

- Decision-making abilities and problem-solving skills.
- Teamwork abilities.

# Research direction

My graduation thesis: “Use Bayes’s method to identify link coefficient link between axion-photon.”

- Elementary particles.
- Nuclear theory.
- Radiation therapy.
